

MHSA-WORKFORCE EDUCATION AND TRAINING PLAN SPONSORS MENTAL HEALTH CAREER ADVISORS PROGRAM

The Mental Health Services Act (MHSA) Workforce Education and Training Plan is sponsoring the Mental Health Career Advisors Program.

The program provides opportunities for individual career guidance seminars for staff (directly operated or LACDMH contract provider) in both Service Areas 4 and 6. Staff working in administrative and/or non-clinical positions interested in career advisement are encouraged to apply. The USC Occupational Therapy Faculty Practice administers the program.

Additional information regarding eligibility and program parameters is available at the following link: [Mental Health Career Advisors Program - Eligibility and FAQs](#)

To submit an application and/or speak to the program coordinator, please contact Cecily Roberts, OTD, 323-442-3340 or e-mail MHCareerAdvisorsProgram@gmail.com.
